Train Times

9 December 2012 to 18 May 2013

London Paddington to Heathrow Airport, Slough and Reading

General Information

This timetable shows services to intermediate stations between London Paddington and Reading. For fast services between London Paddington and Reading please see timetable 7.

Heathrow Express operate fast trains between London Paddington and Heathrow Airport. Please visit www.heathrowexpress.com or call **0845 600 1515** for further information. Free transfer is provided for Heathrow Connect passengers between Terminal 123 and Terminal 4 and 5 stations.

Rail improvement work may affect the services in this timetable, particularly at weekends. Please check before travelling by visiting www.firstgreatwestern.co.uk or by telephoning National Rail Enquiries on **08457 48 49 50** (24 hours, calls may be recorded).

For further information about travelling with us please pick up a copy of **Travelling with First Great Western** from your nearest staffed station.

Information correct at time of going to press (November 2012). For the most up-to-date timetable information please create a bespoke timetable at www.firstgreatwestern.co.uk/printtimetable or call National Rail Enquiries on **08457 48 49 50** (24 hours, calls may be recorded).

National Rail Conditions of Carriage

For further information on tickets and travelling on the national rail network please refer to the National Rail Conditions of Carriage, a copy of which is available on our website at www.firstgreatwestern.co.uk or at staffed stations.

Travelling through Reading?

The major reconstruction of Reading station by our industry partners Network Rail continues throughout the validity of this timetable. As part of this work, train services through Reading during Easter 2013 will be affected with train diversions and rail replacement buses in operation. Full details of this work and how it affects your journey will be widely available on our website and at stations. If you are travelling to, or changing trains at Reading station, please allow yourself extra time to make your journey and take extra care while using the station. For more information about this exciting project please visit www.networkrail.co.uk/reading

Oyster Cards

Stations between London Paddington and West Drayton (also the Greenford branch) are within Transport for London's Oyster fare area. The Oyster fare zones are shown next to the stations in this timetable. Please note that off-peak Oyster Pay As You Go fares do not apply between 0630–0930 and 1600–1900 inclusive on weekdays and that Oyster Cards are not valid on Heathrow Express services or Heathrow Connect services between Hayes & Harlington and Heathrow Airport.

Please visit www.tfl.gov.uk/farefinder or call **0845 330 9876** for further information.

TRAVELLING WITH A CYCLE ON FIRST GREAT WESTERN TRAINS?

Many of our trains can only accommodate 2 cycles and we operate a strict first-come first-served policy. Please see our 'Cycling By Train' leaflet for further details.

Buy **PLUSBUS** with your train ticket (at the ticket office or online) for cheaper bus travel around the urban area of the town that's at the start and/or end of your train journey.

MAJOR RAIL IMPROVEMENT WORKS FROM FEBRUARY 2013

Our industry partner, Network Rail, are carrying out major construction works to build the new Crossrail railway and to prepare the Great Western route for new electric trains. As part of this work, late night train services on Mondays to Thursdays between London Paddington and Maidenhead will have reduced frequencies, while Acton Main Line, West Ealing and Hanwell stations will have earlier last trains.

Arrangements have been made to enable passengers to use TfL bus services where last services have been affected. If you are travelling on this route on Mondays to Thursdays after 2130 please allow extra time to make your journey. This work will continue throughout the validity of this timetable - full details of these exciting projects and how they will affect your journey will be widely available on our website and at stations. For more information about Crossrail and the electrification of the Great Western route please visit www.networkrail.co.uk/greatwestern

LOOKING FOR A LATER TRAIN?

If your service departs after midnight it will appear at the beginning of the next day.

v 5 minutes earlier until 9 February and from 30 March

MAJOR RAIL IMPROVEMENT WORKS FROM FEBRUARY 2013

Our industry partner, Network Rail, are carrying out major construction works to build the new Crossrail railway and to prepare the Great Western route for new electric trains. As part of this work, late night train services on Mondays to Thursdays between London Paddington and Maidenhead will have reduced frequencies, while Acton Main Line, West Ealing and Hanwell stations will have earlier last trains. Arrangements have been made to enable passengers to use TfL bus services where last services have been affected. If you are travelling on this route on Mondays to Thursdays after 2130 please allow extra time to make your journey. This work will continue throughout the validity of this timetable - full details of these exciting projects and how they will affect your journey will be widely available on our website and at stations. For more information about Crossrail and the electrification of the Great Western route please visit www.networkrail.co.uk/greatwestern

G Runs until 24 March
H Runs from 31 March

MAJOR RAIL IMPROVEMENT WORKS FROM FEBRUARY 2013

Our industry partner, Network Rail, are carrying out major construction works to build the new Crossrail railway and to prepare the Great Western route for new electric trains. As part of this work, late night train services on Mondays to Thursdays between London Paddington and Maidenhead will have reduced frequencies, while Acton Main Line, West Ealing and Hanwell stations will have earlier last trains.

Arrangements have been made to enable passengers to use TfL bus services where last services have been affected. If you are travelling on this route on Mondays to Thursdays after 2130 please allow extra time to make your journey. This work will continue throughout the validity of this timetable - full details of these exciting projects and how they will affect your journey will be widely available on our website and at stations. For more information about Crossrail and the electrification of the Great Western route please visit www.networkrail.co.uk/greatwestern

LOOKING FOR A LATER TRAIN?

If your service departs after midnight it will appear at the beginning of the next day.

- B** Runs on Mondays to Thursdays until 7 February and on all Fridays
- C** Runs on Mondays to Thursdays from 11 February

MAJOR RAIL IMPROVEMENT WORKS FROM FEBRUARY 2013

Our industry partner, Network Rail, are carrying out major construction works to build the new Crossrail railway and to prepare the Great Western route for new electric trains. As part of this work, late night train services on Mondays to Thursdays between London Paddington and Maidenhead will have reduced frequencies, while Acton Main Line, West Ealing and Hanwell stations will have earlier last trains.

Arrangements have been made to enable passengers to use TfL bus services where last services have been affected. If you are travelling on this route on Mondays to Thursdays after 2130 please allow extra time to make your journey. This work will continue throughout the validity of this timetable - full details of these exciting projects and how they will affect your journey will be widely available on our website and at stations. For more information about Crossrail and the electrification of the Great Western route please visit www.networkrail.co.uk/greatwestern

LOOKING FOR A LATER TRAIN?

If your service departs after midnight it will appear at the beginning of the next day.

MAJOR RAIL IMPROVEMENT WORKS FROM FEBRUARY 2013

Our industry partner, Network Rail, are carrying out major construction works to build the new Crossrail railway and to prepare the Great Western route for new electric trains. As part of this work, late night train services on Mondays to Thursdays between London Paddington and Maidenhead will have reduced frequencies, while Acton Main Line, West Ealing and Hanwell stations will have earlier last trains.

Arrangements have been made to enable passengers to use TfL bus services where last services have been affected. If you are travelling on this route on Mondays to Thursdays after 2130 please allow extra time to make your journey. This work will continue throughout the validity of this timetable - full details of these exciting projects and how they will affect your journey will be widely available on our website and at stations. For more information about Crossrail and the electrification of the Great Western route please visit www.networkrail.co.uk/greatwestern
