

Route Diagram for Table 51

This Table summarises through services which, with their associated connecting services at Birmingham New Street, link centres in the North and South of the country. In certain instances a faster journey is possible via London and the relevant Table(s) should be consulted.

	Table 51 services
	Through or connecting services
	Tram / Metro interchange
	Airport interchange
Numbers alongside sections of route indicate Tables with full service.	

* Through services summer only

TOCs operating on this network - Cross Country (XC),
Virgin Trains (VT)
