York and Selby
to Leeds
local stopping
services

This timetable shows a summary of local stopping services between York and Leeds and stopping services between Selby and Leeds. Trains that run non-stop are not included.

How to read this timetable

Look down the left hand column for your departure station. Read across until you find a suitable departure time. Read down the column to find the arrival time at your destination. Through services are shown in **bold** type (this means you won't have to change trains). Connecting services are shown in light type. If you travel on a connecting service, change at the next station shown in bold or if you arrive on a connecting service, change at the last station shown in bold, unless a footnote advises otherwise.

Buy before you ride

We operate a buy before you board policy. This means if you board a train at a station with an open ticket office or automatic ticket machine, you must purchase your tickets before boarding your train. If you board the train without a valid ticket, you risk prosecution and the conductor can only sell you the full Anytime Single/Return ticket, without any discounts.

If you board at a station where ticket buying facilities are not available, it is your responsibility to seek out the conductor, who will sell you the full range of available tickets on board.

There are more ways than ever to buy your ticket: **#getaticket**

Prams

If you are travelling with a pushchair or pram, we prefer these to be folded and safely stored in luggage areas. However, they can be stored in our wheelchair areas when these are not needed by a wheelchair user.

Our commitment to you

Our Passenger's Charter sets out our commitments to you and can be picked up from any staffed station. It is also available online at northernrail.org/passengerscharter

We operate clean air zones at all of our stations and on board our trains. Smoking, including electronic cigarettes, is not allowed.
