How to read this timetable

Look down the left hand column for your departure station. Read across until you find a suitable departure time. Read down the column to find the arrival time at your destination. Through services are shown in **bold** type (this means you won't have to change trains). Connecting services are shown in light type. If you travel on a connecting service, change at the next station shown in bold or if you arrive on a connecting service, change at the last station shown in bold, unless a footnote advises otherwise.

Buy before you ride

We operate a buy before you board policy. This means if you board a train at a station with an open ticket office or automatic ticket machine, you must purchase your tickets before boarding your train. If you board the train without a valid ticket, you risk prosecution and the conductor can only sell you the full Anytime Single/Return ticket, without any discounts.

If you board at a station where ticket buying facilities are not available, it is your responsibility to seek out the conductor, who will sell you the full range of available tickets on board.

There are more ways than ever to buy your ticket: **#getaticket**
