Buying your ticket

It's a legal requirement to have a valid ticket or pass before you start your journey and you risk prosecution if you travel without one.

You must buy your ticket from the ticket office or ticket vending machine **before** getting on the train. If the ticket office is closed or you board at an unstaffed station you can buy your ticket from the conductor on the train. If you avoid using the ticket office or vending machine when they're available, the conductor will charge you the full Anytime Single/Return fare. Alternatively buy your ticket online at northernrail.org #getaticket.

Wheelchairs, pushchairs and bikes

To make it easier for you to board the train with a wheelchair, pushchair or bike, we are adding stickers to the outside of our trains, showing the best doors to use. Please look out for these stickers which are being added from March 2014.

Mobility scooters

We cannot accept any type of mobility scooter for travel on our trains, unless it can be folded and carried on board (similar to a piece of luggage), due to their restricted manoeuvrability and stability.

Bicycles

Most of our trains can take up to two bikes, subject to space being available, particularly during peak times. Folded bikes can be taken on trains as luggage without restrictions. For further details call our Customer Relations Team on **0845 00 00 125** or see our Passenger's Charter.

Passenger's Charter

We aim to deliver services that meet the needs and expectations of our customers.
