Through trains and connections

At the side of the station name **a** means arrival time and **d** means departure time. If the train times are in **bold type** you won't have to change trains.

If your arrival time is shown in light type, change at the previous station whose time is printed in bold type unless a footnote gives other instructions.

If your departure time is shown in light type, change at the next station whose time is printed in bold type unless a footnote gives other instructions.

Buying your ticket

It's a legal requirement to have a valid ticket or pass before you start your journey and you risk prosecution if you travel without one.

You must buy your ticket from the ticket office or ticket vending machine **before** getting on the train. If the ticket office is closed or you board at an unstaffed station you can buy your ticket from the conductor on the train. If you avoid using the ticket office or vending machine when they're available, the conductor will charge you the full Anytime Single/Return fare. Alternatively buy your ticket online at northernrail.org #getaticket.

Mobility scooters

We cannot accept any type of mobility scooter for travel on our trains, unless it can be folded and carried on board (similar to a piece of luggage), due to their restricted manoeuvrability and stability.

Bike & Go
