This timetable shows the complete service between Sheffield and Lincoln.

Through trains and connections

At the side of the station name **a** means arrival time and **d** means departure time. If the train times are in **bold type** you won't have to change trains.

If your arrival time is shown in light type, change at the previous station whose time is printed in bold type unless a footnote gives other instructions.

If your departure time is shown in light type, change at the next station whose time is printed in bold type unless a footnote gives other instructions.

Buying your ticket

It's a legal requirement to have a valid ticket or pass before you start your journey and you risk prosecution if you travel without one.

You must buy your ticket from the ticket office or ticket vending machine **before** getting on the train. If the ticket office is closed or you board at an unstaffed station you can buy your ticket from the conductor on the train. If you avoid using the ticket office or vending machine when they're available, the conductor will charge you the full Anytime Single/Return fare. Alternatively buy your ticket online at northernrail.org #getaticket.

Wheelchairs, pushchairs and bikes

To make it easier for you to board the train with a wheelchair, pushchair or bike, we are adding stickers to the outside of our trains, showing the best doors to use. Please look out for these stickers which are being added from March 2014.

Mobility scooters

We cannot accept any type of mobility scooter for travel on our trains, unless it can be folded and carried on board (similar to a piece of luggage), due to their restricted manoeuvrability and stability.

Bike & Go

Bike & Go is a nationwide bike hire scheme giving you the opportunity to continue your journey by bike from participating stations. The stations involved in the scheme are shown on the front of this timetable. For further information please visit: bikeandgo.co.uk.

Bicycles

Most of our trains can take up to two bikes, subject to space being available, particularly during peak times. Folded bikes can be taken on trains as luggage without restrictions. For further details call our Customer Relations Team on **0845 00 00 125** or see our Passenger's Charter.

Passenger's Charter

We aim to deliver services that meet the needs and expectations of our customers.

We set out our promises and standards in a Passenger's Charter. You can view it on our website, ask for a copy at any staffed station or request a copy by post from our Customer Relations Team. We welcome your feedback and suggestions about any aspect of our services.
