## Leeds to Carlisle Leeds to Morecambe/ Heysham Harbour

This timetable is a summary of our train services between Leeds and Carlisle and between Leeds and Morecambe/Heysham Port. Other trains also run between Leeds and Skipton.

## How to read this timetable

Look down the left hand column for your departure station. Read across until you find a suitable departure time. Read down the column to find the arrival time at your destination. Through services are shown in **bold** type (this means you won't have to change trains). Connecting services are shown in light type. If you travel on a connecting service, change at the next station shown in bold or if you arrive on a connecting service, change at the last station shown in bold, unless a footnote advises otherwise.

## Buy before you ride

We operate a buy before you board policy. This means if you board a train at a station with an open ticket office or automatic ticket machine, you must buy your tickets before boarding your train.

Ticket inspections are carried out regularly and if you board the train without a valid ticket, you risk prosecution. Our conductors can only sell you the full Anytime Single/Return ticket, without discounts, either to your final destination or as a minimum to the next station stop where you must leave the train.

If you board at a station where ticket buying facilities are not available, you can buy a full range of tickets from the conductor on your train or at the end of your journey. It's your responsibility to make sure you have a valid ticket and there are more ways than ever to buy yours: **#getaticket**

Visit [northernrailway.co.uk/off-peak](http://northernrailway.co.uk/off-peak) for further affected routes and more information.

**Advance:** Advance tickets can be bought up to 1800 the day before travel and can only be used on the train specified at the time of booking.
