South Western
Railway

Hello and welcome to the Autumn 2017 South Western Railway timetable.

We are delighted to be your new train operator and we're already working on improvements for you – visit the new look website at southwesternrailway.com and follow us on Twitter @SW_Railway & @SW_Help for the latest information.

As well as providing our staff with the right training and tools for their jobs in order to deliver the best possible customer experience, we'll also be investing over £1.2 billion in station improvements, new trains and train refurbishment and new ticket options to save you time and money. We'll significantly increase capacity by introducing new trains and running longer trains, meaning 52,000 more seats a day across peak times at London Waterloo by December 2020. Look out for updates on all of this.

We're committed to giving you better trains, better service and a better travel experience and thank you for coming on this journey with us.

Andy Mellors
Managing Director
South Western Railway

Buy a ticket before you board

You need to buy a valid ticket before you board one of your trains. We know that the vast majority of our passengers buy a valid ticket before travelling and we have a duty to those passengers to make sure no one travels without paying. For this reason, we run a penalty fares scheme across most of our network.

If you travel to or from a station within the penalty fares area without a valid ticket, you may be liable for a penalty fare of £20 or twice the single fare to the next station at which your train stops (whichever is higher). You will then be required to buy a ticket for the remainder of the journey.

We have a policy to prosecute all deliberate fare evaders, wherever possible.

Changes to train times

Network Rail needs to do engineering work to maintain and improve the rail network. Much of this work is done weekends and during the holiday periods, but some work also needs to be done overnight during the week.

Buses will replace train services where lines are closed for work to take place. We may also have to alter train services over a wider area.

We advise that you check for any changes to train times before using weekend, late evening or early morning services. Please look for the 'Changes to train times' posters at stations or visit our website at www.southwesternrailway.com.

No smoking policy

For the comfort of all our customers, smoking and the use of e-cigarettes is not permitted on any part of our trains or stations.

You can smoke outside the station entrance or in our car parks.

Cycles on trains

The services in this timetable have limited room for cycles so we have had to apply to restrictions. The star ★ symbol, with train times printed in light blue, show restricted trains. We will carry folding cycles on any train as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on buses that replace trains during engineering works.

South Western Railway

Changing trains

Most journeys shown in this timetable are by through trains, shown in **bold type**. However, you may be able to make other journeys or reach your destination more quickly by changing trains. To help you find these services, we show them in the timetable with *light italic type*. A letter against the time will show where you need to change trains - please check the 'notes' section for an explanation of these letters.

Please allow plenty of time to make your connection. At most stations you will need to allow at least 5 minutes to change trains. Some stations have a different minimum time and this is shown in the 'station information' table in this timetable. For example 10 means you should allow 10 minutes to change trains at this station.

MONDAY TO FRIDAY
London Waterloo, Woking and Basingstoke to Salisbury, Yeovil and Exeter
