Buy a ticket before you board

You need to buy a valid ticket before you board your train.

We know that the vast majority of our passengers buy a valid ticket before travelling and we have a duty to those passengers to make sure no one travels without paying. For this reason, we run a penalty fares scheme across most of our network.

If you travel to or from a station within the penalty fares area without a valid ticket, you may be liable for a penalty fare of £20 or twice the single fare to the next station at which your train stops (whichever is higher). You will then be required to buy a ticket for the remainder of the journey.

We have a policy to prosecute all deliberate fare evaders, wherever possible.

No smoking policy

For the comfort of all our customers, smoking and the use of e-cigarettes is not permitted on any part of our trains or stations. You can smoke outside the station entrance or in our car parks.

Changes to train times

Network Rail needs to do engineering work to maintain and improve the rail network. Much of this work is done at weekends and during the holiday periods, but some work also needs to be done overnight during the week.

Buses will replace train services where lines are closed for work to take place. We may also have to alter train services over a wider area.

We advise that you check for any changes to train times before using weekend, late evening or early morning services.

Please look for the 'Changes to train times' posters at stations or visit our website at **[southwesternrailway.com](https://www.southwesternrailway.com)**

Catering

On board catering on our services is provided in partnership with our contractors Rail Gourmet by an at-seat trolley service. The  symbol in the following timetable shows which trains are catered for all, or part, of the journey.

We will do our best to provide the refreshment service where advertised. However under some circumstances, for example engineering work, we may be unable to provide refreshments on certain trains.

Cycles on trains

The services in this timetable have limited room for cycles so we have had to apply some restrictions. The  symbol, with train times printed in **blue**, show restricted trains. These restrictions are explained in the 'Guide to notes and symbols' section.

We will carry folding cycles on any train as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on buses that replace trains during engineering works.
