

16 Weybridge (via Staines) to London Waterloo

TEMPORARY TRAIN TIMES 7-24 AUGUST 2017

MONDAY TO
FRIDAY ONLY

**WATERLOO &
SOUTH WEST
UPGRADE**

• No services call
at this station

What's happening?

From 5 to 28 August inclusive, major engineering works will be taking place at London Waterloo. This is to allow work to start to extend platforms for longer trains and provide more space for more passengers.

Throughout this time, fewer trains will be running across the South West Trains network. Some stations will see very significant reductions in the frequency of their train services and a small number will be closed for some or all of this time.

Stations in or around London, such as London Waterloo, Clapham Junction, Vauxhall and Wimbledon are expected to be exceptionally busy during this time. We strongly advise passengers to avoid travelling during the busiest morning and evening periods if possible.

Woking is expected to be extremely busy and you are advised not to change on to fast services here.

Across the network, we urge passengers to leave plenty of time for their journey, plan ahead and understand the impact these temporary changes will have.

Detailed travel advice, including ticket acceptance options, is available at southwesttrains.co.uk/wswupgrade

August Bank Holiday

Friday 25 August to Monday 28 August 2017

On Friday 25 August to Monday 28 August 2017, there will be additional works at London Waterloo.

This will further reduce the number of trains we are able to run right across the network but the impact will be more significant closer to London.

Detailed travel advice, including ticket acceptance options, is available at southwesttrains.co.uk/wswupgrade

Temporary timetable Monday to Friday only 7-24 August 2017

This pocket timetable shows the revised service between London Waterloo and Hounslow, Egham, Virginia Water, Addlestone, Chertsey and Weybridge (via Staines).

In addition to the retimed services, please note the following:

- **No services call at Queenstown Road.** Passengers should use other nearby stations or alternative transport.

We advise that you check for any changes to train times before using weekend, late evening or early morning services. Please look for the 'Changes to train times' posters at stations or visit our website at southwesttrains.co.uk.

Buy a ticket before you board

You need to buy a valid ticket before you board one of our trains. We know that the vast majority of our passengers buy a valid ticket before travelling and we have a duty to those passengers to make sure no one travels without paying. For this reason, we run a penalty fares scheme across most of our network.

If you travel to or from a station within the penalty fares area without a valid ticket, you may be liable for a penalty fare of £20 or twice the single fare to the next station at which your train stops (whichever is higher). You will then be required to buy a ticket for the remainder of the journey.

We have a policy to prosecute all deliberate fare evaders, wherever possible.

No smoking policy

For the comfort of all our customers, smoking and the use of e-cigarettes is not permitted on any part of our trains or stations. You can smoke outside the station entrance or in our car parks.

Cycles on trains

The services in this timetable have limited room for cycles and we have to apply some restrictions. The ★ symbol, with train times printed in red, show restricted trains. These restrictions are explained in the 'Notes' section.

We will carry folding cycles on any train as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on buses that replace trains during engineering work.
