## Your timetable

This pocket timetable shows the full service between Surbiton, Berrylands, New Malden, Raynes Park, Wimbledon, Earlsfield and London Waterloo.

### Engineering work

Engineering work has to be carried out to maintain and improve the rail network. This work is normally done at weekends, overnight or on public holidays and sometimes we need to change train services or run buses instead.

We advise that you check for any changes to train times before using weekend, late evening or early morning services. Please look for the 'Engineering Works' posters at stations or visit our website at [southwesttrains.co.uk](http://southwesttrains.co.uk).

### Cycles on trains

The services in this timetable have limited room for cycles and we have to apply some restrictions.

The ★ symbol with train times printed in red show restricted trains - these restrictions are explained in the 'Notes' section.

We will carry folding cycles on any train as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on buses that replace trains during engineering work.

### Buy a ticket before you board

You need to buy a valid ticket before you board one of our trains. We know that the vast majority of our passengers buy a valid ticket before travelling and we have a duty to these passengers to make sure no one travels without paying. For this reason, we run a penalty fares scheme across most of our network.

If you travel to or from a station within the penalty fares area without a valid ticket, you may be liable for a penalty of £20 or twice the single fare to the next station at which your train stops (whichever is higher). You will then be required to buy a ticket for the remainder of your journey.

We have a policy to prosecute all deliberate fare evaders whenever possible.

### No smoking policy

For the comfort and safety of all our passengers, we do not allow smoking on any of our trains.

Also, in line with all other UK train companies, we enforce a complete no smoking policy at all our stations. All areas of the station are smoke-free irrespective of whether they are enclosed or otherwise.
