Engineering work

Engineering work has to be carried out to maintain and improve the rail network. This work is normally done at weekends, overnight or on public holidays and sometimes we need to change train services or run buses instead.

We advise that you check for any changes to train times before using weekend, late evening or early morning services. Please look for the 'Engineering Works' posters at stations or visit our website at [southwesttrains.co.uk](https://www.southwesttrains.co.uk).

No smoking policy

For the comfort and safety of all our passengers, we do not allow smoking on any of our trains. Also, in line with all other UK train companies, we enforce a complete no smoking policy at all our stations. All areas of the station are smoke-free irrespective of whether they are enclosed or otherwise.

Cycles on trains

The services in this timetable have limited room for cycles and we have to apply some restrictions. The ★ symbol with train times printed in red show restricted trains - these restrictions are explained in the 'Notes' section. We will carry folding cycles on any train as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on buses that replace trains during engineering work.

Buy a ticket before you board

You need to buy a valid ticket before you board one of our trains. We know that the vast majority of our passengers buy a valid ticket before travelling and we have a duty to these passengers to make sure no one travels without paying. For this reason, we run a penalty fares scheme across most of our network.

If you travel to or from a station within the penalty fares area without a valid ticket, you may be liable for a penalty of £20 or twice the single fare to the next station at which your train stops (whichever is higher). You will then be required to buy a ticket for the remainder of your journey.

We have a policy to prosecute all deliberate fare evaders whenever possible.

Catering on trains

On board catering is provided in partnership with our contractors Rail Gourmet (UK) Ltd by an at-seat trolley service. We provide details of which specific trains are catered on our Customer Information Screens. On these trains catering may be provided for all or part of the journey.

We will do our best to provide the refreshment service where advertised. However under some circumstances, for example engineering work, we may be unable to provide refreshments on certain trains. Visit southwesttrains.co.uk/catering.aspx to view the latest menu and prices.

Save up to 50% with our “two pay” deal.

Two pay and the rest get hair raising savings, when 3 or 4 travel together off-peak with GroupSave.

Visit southwesttrains.co.uk or call 0845 6000 650 for more information.

Minimum of two full fares cover 3 or 4 travelling together. No further discount are available to Railcard holders.

Cycles on trains

★ Passengers travelling with cycles may not join or leave services at stations with train times shown in red.

At peak times the following restrictions apply: In the area bounded by Reading, Hook, Alton, Guildford and Dorking, passengers travelling with cycles may not join or leave from services timed to arrive in London Waterloo between 0715 and 1000 inclusive and departing London Waterloo between 1645 and 1900 Monday to Friday.

Some trains operated by Southern are also restricted in the Portsmouth area and are marked in red. See Southern's publicity for further details.

Changing trains

Most journeys shown on this timetable are by through trains, shown in bold type. However, you may be able to make other journeys or reach your destination more quickly by changing trains. To help you find these services, we show them in the timetable with *light italic type*. A letter against the time will show where you need to change trains - please check the 'Notes' section for an explanation of these letters.

Please allow plenty of time to make your connection. At most stations you will need to allow at least 5 minutes to change trains. Some stations have a different minimum time and this is shown against the station name in the timetable, for example **10** means you should allow at least 10 minutes to change trains at this station.
