# Fareham and Havant to Portsmouth

# TRAIN TIMES

12 December 2010 to 21 May 2011

## Your timetable

This pocket timetable shows the full service between Portsmouth, Fratton, Hilsea, Bedhampton and Havant, and Portsmouth, Cosham, Portchester to Fareham.

Also includes trains between Fareham and Havant.

Our mini-guides offer an even more convenient summary of services and are designed to fit easily into a wallet, purse or ticket holder. Mini-guides are available from staffed stations.

Mini-guide routes relevant to this timetable are:

- Havant to London Waterloo - No 59
- Portsmouth/Fratton to London Waterloo - No 58

### Cycles on trains

The services in this timetable have limited room for cycles and we have to apply some restrictions.

The ★ symbol shows restricted trains - these restrictions are explained in the 'Notes' section.

We will carry folding cycles on any train as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on buses that replace trains during engineering work.

### No smoking policy

For the comfort and safety of all our passengers, we do not allow smoking on any of our trains.

Also, in line with all other UK train companies, we enforce a complete no smoking policy at all our stations. All areas of the station are smoke-free irrespective of whether they are enclosed or otherwise.

## Save up to 50% with our "two pay" deal.

Two pay and the rest get hair raising savings, when 3 or 4 travel together off-peak with GroupSave.

Add up to 4 accompanying kids for £1 each

Visit [southwesttrains.co.uk](http://southwesttrains.co.uk) or call 0845 6000 650 for more information.

Minimum of two full fares cover 3 or 4 travelling together. No further discount are available to Railcard holders.

**SOUTH WEST TRAINS**

## Engineering work

Engineering work has to be carried out to maintain and improve the rail network.

This work is normally done at weekends, overnight or on public holidays and sometimes we need to change train services or run buses instead.

We advise that you check for any changes to train times before using weekend, late evening or early morning services. Please look for the 'Engineering Works' posters at stations or visit our website at **southwesttrains.co.uk**

## Buy a ticket before you board

You need to buy a valid ticket before you board one of our trains. We know that the vast majority of our passengers buy a valid ticket before travelling and we have a duty to these passengers to make sure no one travels without paying. For this reason, we run a penalty fares scheme across most of our network.

If you travel to or from a station within the penalty fares area without a valid ticket, you may be liable for a penalty of £20 or twice the single fare to the next station at which your train stops (whichever is higher). You will then be required to buy a ticket for the remainder of your journey.

We have a policy to prosecute all deliberate fare evaders whenever possible.

## Comments and suggestions

We welcome your comments, suggestions and complaints about any aspect of our service. You can contact our Customer Service Centre on 0845 6000 650. We will work hard to deal with your concerns to your satisfaction and within the timescales explained in our Passengers' Charter.

There are also organisations that you can contact if you are unhappy with our response, details of these can be found in our Passengers' Charter and on our website [southwesttrains.co.uk](http://southwesttrains.co.uk). We will also advise you of these if you tell us that you are unhappy with our response.

## The Passengers' Panel

If you would like direct input into improving services on the network, consider joining our Passengers' Panel.
