Brockenhurst to Lymington

TRAIN TIMES

12 December 2010 to 21 May 2011

As a result of community feedback, we have introduced a new timetable on the Lymington branch affecting services after 1000 Monday to Friday and all day on Saturday. This will improve train connections at Brockenhurst with services to and from Southampton and London Waterloo. It will also result in reduced journey times for through passengers to Lymington and provide a later evening service, as well as maintaining ferry connections to the Isle of Wight wherever possible.

South West Trains and the Lymington-Brockenhurst Community Rail Partnership

work together with support from the Friends of Lymington and Brockenhurst Line to improve the overall rail experience and raise further awareness of potential rail journeys with better connections.

For further information on our community initiatives, please contact:

Community Rail Development Officer, Bobby Lock

For Friends of Lymington and Brockenhurst Line (FOLB), please contact:

This timetable shows our services between Brockenhurst, Lymington Town and Lymington Pier with connecting services to and from London Waterloo and Bournemouth. Please see pocket timetable 28 for full details of services between Brockenhurst and stations to Southampton Central and London Waterloo, also stations to Bournemouth, Poole and Weymouth.

Our mini-guides offer an even more convenient summary of services and are designed to fit easily into a wallet, purse or ticket holder and are available from staffed stations.

The mini-guide route relevant to this timetable is:

- Poole, Bournemouth and Brockenhurst to London Waterloo – no. 62.

Engineering work

Engineering work has to be carried out to maintain and improve the rail network. This work is normally done at weekends, overnight or on public holidays and sometimes we need to change train services or run buses instead.

We advise that you check for any changes to train times before using weekend, late evening or early morning services. Please look for the 'Engineering Works' posters at stations or visit our website at [southwesttrains.co.uk](https://www.southwesttrains.co.uk).

Buy a ticket before you board

You need to buy a valid ticket before you board one of our trains. We know that the vast majority of our passengers buy a valid ticket before travelling and we have a duty to these passengers to make sure no one travels without paying. For this reason, we run a penalty fares scheme across most of our network.

If you travel to or from a station within the penalty fares area without a valid ticket, you may be liable for a penalty of £20 or twice the single fare to the next station at which your train stops (whichever is higher). You will then be required to buy a ticket for the remainder of your journey.

We have a policy to prosecute all deliberate fare evaders whenever possible.

Cycles on trains

We run a busy service from Brockenhurst station and space for cycles on trains is limited.

Cycle space is allocated on a 'first come - first served' basis.

For reasons of safety, and for the comfort of passengers, staff have the right to refuse cycles if they feel that it is necessary. In these instances cyclists should wait for a later service.

No smoking policy

For the comfort and safety of all our passengers, we do not allow smoking on any of our trains.

Also, in line with all other UK train companies, we enforce a complete no smoking policy at all our stations. All areas of the station are smoke-free irrespective of whether they are enclosed or otherwise.
