Changing trains

Most journeys shown on this timetable are by through trains, shown in **bold type**.

However, you may be able to make other journeys or reach your destination more quickly by changing trains. To help you find these services, we show them in the timetable with *light italic type*. A letter against the time will show where you need to change trains - please check the 'Notes' section for an explanation of these letters.

Please allow plenty of time to make your connection. At most stations you will need to allow at least 5 minutes to change trains. Some stations have a different minimum time and this is shown against the station name in the timetable, for example **10** means you should allow at least 10 minutes to change trains at this station.
