## Connections

If you need to take more than one train to complete your journey you should plan to allow at least five minutes to change trains. This is known as the Interchange Time.

At certain stations more time is required to change trains. These are generally larger stations and the extra time is required as you may need to change platforms to catch your next train.

Stations shown in our timetables where this applies are:

Carlisle	8	minutes	London Euston	15	minutes
Darlington	7	minutes	London Kings Cross	15	minutes
Doncaster	7	minutes	Manchester Piccadilly	10	minutes
Edinburgh	10	minutes	Newcastle	8	minutes
Glasgow Central	15	minutes	Preston	8	minutes
Lancaster	6	minutes	Sheffield	7	minutes
Leeds	10	minutes	York	8	minutes
Liverpool Lime Street	10	minutes			

When using one of these 'connecting services' the connecting service may be provided by another operator apart from TransPennine Express.

If your ticket is for TransPennine Express Services only it may not be valid on these services.
