New train times and a new station!

Here's our handy new timetable with up-to-date times for all our trains. This includes times for trains stopping at the latest station to be added to our route, Leamington Spa!

But that's not all the good news we have to share. There's recently been an upgrade to our route, so most off-peak journey times have been reduced, by up to 15 minutes.

We've also listened to passengers travelling from Wrexham and Gobowen, and there's now an extra train every weekday to and from London!

Despite all these improvements, we're freezing all our fares for the new year. To book your incredible value seat on any of our trains, just turn to the back for booking details. See you soon!

*£40 fare available from Shrewsbury to Cosford inclusive.
