## Buying a ticket

We operate a buy before you board policy. This means if you board a train at a station with an open ticket office or automatic ticket machine, you must buy your tickets before boarding your train.

If you board at a station where ticket buying facilities are not available, you can buy a full range of tickets from the conductor on your train or at the end of your journey.

It's your responsibility to make sure you have a valid ticket:

### #buybeforeyouboard

Whilst every care has been taken to ensure the accuracy of the information contained in this timetable, we can accept no liability for any inaccuracies, and reserve the right to change information without further notice.
